

FIG. 1 is a top view of a circular device 1, showing a central hub 13, a ring 15, and a plurality of segments 45. The segments 45 are arranged in a circular pattern around the central hub 13. The device 1 is shown in a cross-sectional view, with the central hub 13 and the ring 15 being the main components. The segments 45 are shown in a cross-sectional view, with the segments 45 being the main components. The device 1 is shown in a cross-sectional view, with the central hub 13 and the ring 15 being the main components. The segments 45 are shown in a cross-sectional view, with the segments 45 being the main components.
